

DD/R-385-63

8 March 1963

25X1A

MEMORANDUM FOR: ORD/[REDACTED]

SUBJECT : [REDACTED] 25X1A

25X1D In order to overcome the operational difficulty of manned low-level flights, let us see if we can make something out of a low-level [REDACTED] system. This sounds like something the Army probably has already studied. When you have time, take a look and drop me a note.
